2021 Prospectus

TRINITY
ANGLICAN COLLEGE

The Trinity Advantage

Trinity Anglican College is a co-educational College that offers more. Driven by passion, dedication, education and innovation, it is our mission to provide diverse learning experiences that empower our next generation of leaders.

Located on the New South Wales and Victorian border with a campus in Thurgoona, we nurture and educate our students to achieve outstanding academic results in our state-of-the-art classrooms and beyond.

Our educational excellence is supported by a rich and diverse curriculum alongside co-curricular and creative programs that encompass everything from the arts and sport to technological pursuits. We recognise the genuine authenticity of each student within our College community underpinned by faith, hope and love. With a welcoming environment from the moment you step through the doors, there is a real advantage of being at a place like this.

An education at Trinity is impactful. It is meaningful.

No matter where you want to go or who you want to be, **it all starts here.**

Anglican Schools Commission

Trinity Anglican College is owned and operated by The Anglican Schools Commission (Inc.). Established in 1985, the Anglican Schools Commission's mission is to establish and support low fee paying Anglican systemic schools which provide a high quality, inclusive and caring Christian education.The Anglican Schools Commission (ASC) currently comprises 14 schools on 16 campuses in three States, including Trinity Anglican College Albury. The combined enrolment across these ASC schools is almost 14,000 students.

ASC schools enable families to choose a comprehensive, quality education for their children, with Gospel values as their foundation.Further details about the Anglican Schools Commission may be found on the website: www.asc.wa.edu.au.

Our Faith

As an Anglican school, Trinity Anglican College provides hope and love through sharing and celebrating our faith. In Anglican schools the spiritual and moral dimensions of education find a significant place within the curriculum. We are grateful to have Reverend Bryn Jones on our campus, who provides spiritual leadership within the community. The chapel sits at the heart of our College grounds and here, our students experience regular reflection and service under our Chaplains guidance. The Christan values which come from the Anglican tradition lead our young men and women at Trinity with a developed values system which is evident in their behaviour, outlook, relationships and service.

Our Curriculum

Junior School

Our student centred curriculum ensures that each child is engaged, inspired, challenged and nurtured. Our curriculum merges traditional academic subjects with equally important practical, spiritual and creative learning that develops critical thinking, discovery through experience and inspires innovation. Our philosophy is built on and committed to a global enriched curriculum where as educators we deliver the curriculum in dynamic and interactive environments that empower and challenge our students whilst fostering their learning journey in a joyful and celebrated environment. The core curriculum includes English, Mathematics, History, Geography, Science, Technology, Health Education, Music, the Arts, Physical Education, Religious and Values Education (RAVE), and French from Year 4. Creative and thinking skills so collaboration and being an active participant in the learning journey is woven throughout each day.

Senior School

Our curriculum uses modern technologies and engaging methodologies informed by excellent pedagogy. It is tailored to give students challenges and choices, allowing our students to forge their own path in life.

Pastoral Care at Trinity Anglican College nurtures the social and emotional wellbeing of all of its students. Through implementing quality inititavies that hold key focus on addressing and educating a personalised approach for each student, our program embeds respectful, dynamic and productive relationships for them to grow and develop throughout their learning journey at the College.

TRINITY
ANGLICAN COLLEGE

A local school,
with a global mindset.

Alongside educational excellence, our promise is to provide a strong community and culture where young people are not only engaged in creativity and innovation, but also embody compassion, courage and service.

We know it is critical that our students are developed as global citizens. A strong multicultural understanding developed throughout their years at the College will ensure they a job-ready in an increasingly global world.

To be a global citizen in the modern world, students will need advanced skills such as critical thinking, intercultural literacy, digital literacy, and cooperation. They will need to know how to lead a team, and how to be a valuable participant in one. They will need to see themselves as active agents for innovation and sustainable practices. Embedding these mindsets and skills into our everyday teaching and learning at the College is vital for each student's overall success and emotional well-being in the future.
