

Trinity Anglican College

Term 4: Week 5 2020

Our Kindergarten - Year 2 students enjoyed their Athletics Carnival on Friday in Week 4, on campus. They completed a series of modified novelty events and a 1km Cross Country course.

A letter from the Principal

Mr. Justin Beckett

It has been another incredible two weeks at the College. Our Year 12 students have finished their HSC exams and are looking forward to celebrating at their graduation next weekend, some of our Junior students have been lucky enough to go on their annual camps, and we have welcomed the 2021 Kindergarten cohort to the College for their first two orientation days.

Our Kindergarten - Year 2 students had a fantastic time at their Athletics Carnival last week, where they completed modified events including high jump and sack racing, followed by a 1km Cross Country track. It was wonderful to see these young students trying new things and cheering for their peers throughout the morning.

A massive congratulations to all Trinity students who competed at the Interschools Equestrian Competition on Saturday, we are so proud of all you achieved - on and off the field.

A special mention this week goes to all students and staff who participated in our Remembrance Day Service. The respect you showed throughout was admirable. Thank you to our College Captains for laying the wreath, to our Year 6 leaders for your speeches, and to our College Wind Ensemble for your involvement on the day. It takes a dedicated team to pull together a service such as this, and you did so beautifully.

Another congratulations goes to Hattie Evans and Arthur Hull for their incredible success in the Rockfest Band Competition. This is a nationwide competition where performers videos were viewed in over 50 countries worldwide. Hattie was named the Best Solo Artist of the Year and Arthur was announced as the Best Keys Player. An astonishing achievement!

I am looking forward to the next few weeks at the College, as our students experience what it will be like at Trinity next year with Step Up Day and further Orientation Days. Our Year 6 students in particular, have started their exciting transition into the Senior School over the last few weeks and it has been a flying success.

With so many exciting opportunities on offer at Trinity, no matter where you want to go, or who you want to be; it all starts here.

Congratulations!

Congratulations to Trinity students, Hattie Evans and Arthur Hull, for taking out major awards in the Rockfest Band Competition. Hattie was awarded with the Best Solo Artist of the year, and Arthur was awarded Best Keys Player. We are so proud of you both, what an incredible achievement.

Year 3 Camp

A letter from Head of Junior School

Mr. Steven Armstrong

In working with expanding minds and growing bodies there are times when the two tend to come into conflict: times when there is a deal of confusion about rites of passage and freedom. As we near the end of the year it is often the scene for this type of conflict. Much of this relates to uncertainty: where to now, what will happen next, who will I relate to next year? To understand these very human reactions it is important not to lose sight of the now. I often counsel students at this time of year about enjoying this time, a time of continued learning. A time of celebration of achievements and reflection on challenges faced. If we dwell too much on what may occur we tend to miss the journey, miss the scenery and miss the important interactions that are around us now. The staff are busy reflecting on students as they pen the final reports for 2020. These are also important parts of the learning journey but do not mean that the year has closed. So as we continue to learn, to grow and to enrich each other's lives throughout the term remember to be part of everything that is taking place now.

Kindergarten 2021 Orientation: The 2021 Kindergarten students continue their 'big-school' adventure this week and it has been a delight to welcome them to the Infants Centre.

Stationery and Texts 2021: The College has received some competitive quotes from various companies and this should be finalised within the week. When that is completed, the process of ordering texts will be posted.

Year 4 and Year 3 Camp: Billabong Ranch and the Great Aussie Holiday Park are great venues for exciting challenges. On reading this, some tired and invigorated students will be regaling parents with lots of stories about different adventures. The outdoor education program is a fundamental part of the journey in learning.

Year 5 Camp: Howman's Gap in Week 5. The excitement is building!

Dates for the diary:

Friday 20 November: Infants Swimming Activities (K-2)

Wednesday 25 November: Step-up Day

Monday 30 November: Year 6 Graduation Evening

NAIDOC Week

NAIDOC Week is an opportunity for all Australians to come together to celebrate the rich history, diverse cultures and achievements of Aboriginal and Torres Strait Islander peoples. The theme for NAIDOC Week in 2020 is 'Always Was, Always Will Be'.

This week, students from Kindergarten to Year 6 were involved in a range of activities designed to reflect how Aboriginal and Torres Strait Islander peoples were Australia's first explorers, first navigators, first engineers, first farmers, first botanists, first scientists, first diplomats, first astronomers and first artists, among other things. These activities included researching Dreamtime Stories and Symbols, indigenous songs, dances, art and games.

Interschool Equestrian Competition

By Jessica Wicks and Scarlett Chaston

On Saturday 7 November, a small group of Trinity students competed at the Scots Interschool Equestrian Challenge 2020, an equestrian competition between different schools with a series of different disciplines, including Dressage, Showjumping, and Mount and Rider workouts. The event was held at the Albury Wodonga Equestrian Centre, with riders from almost every school in the area participating, as well as riders from Yass to Shepparton. The riders that competed were Archer Chaston, Scarlett Chaston, Jessica Wicks, Sarah Wicks, Louie Ceglar, Saskia Patten, and Indi Paton.

The results of the riders are as follows:

Archer Chaston

1st in Senior 60cm Super 2 Phase Showjumping
6th in Senior 60cm Fastest Clear Round Showjumping
7th in Senior Mount and Rider- Advanced

Scarlett Chaston

2nd in Intermediate Novice 2A Dressage
2nd in Intermediate Novice 2B Dressage
Champion Intermediate Novice Dressage
2nd in Intermediate 60cm Super 2 Phase Showjumping
3rd in Intermediate 60cm Fastest Clear Round
6th in Intermediate Mount and Rider- Advanced
Runner up Intermediate 60cm Showjumping

Interschool Equestrian Competition

Jessica Wicks

1st in Intermediate 60cm Fastest Clear Round Showjumping
Champion Intermediate 60cm Showjumping

After going well at this competition, riders are now eligible to represent Trinity in the Victorian State Interschools Equestrian Challenge in 2021. Next year, we would love to see more competitors from Trinity compete for our school. The event was a lot of fun and it was also great to see Mr Field and Mr Beckett turn up to watch, as well as Mrs Katsoolis.

Thank you to all the riders who participated on the day and supported our team, and congratulations to all the riders who won or placed. And also thank you to The Scots School Albury for holding the event, and a big thank you to Trinity Anglican College for the support and supplying us with lunch and the gazebo. And lastly, a big thank you to Hayley Porritt-Lane, for putting the team together and supporting everyone in the team. It was a great event, and we hope to see more riders enter for Trinity next year.

Years 7-11 Assessment: The Next Couple of Weeks

The assessments that are falling due over the next little while are detailed in the table below. Hopefully, this will help you to help your young people with their organisation and planning.

Term & Week	Year 7	Year 8	Year 9	Year 10	Year 11 - HSC Course
Week 6	Mathematics PDHPE Science	PDHPE Music	PASS PDHPE Drama	Nil	Design & Technology Food Technology Ancient History
Week 7	Nil	Nil	Nil	Nil	Legal Studies Business Studies French Continuers Mathematics Standard

Please remind your young people that their teachers are a part of their support team and that they are here to help; they can cast eyes over a draft, listen to ideas and help with that next step. Of course, we know that they understand that their families are the most significant of their helpers!

Year 11: HSC Assessment Information

Assessment schedules have been distributed to students, together with the important policy document 'Year 12 Assessment Information for Students, 2021.' This document outlines the policies and procedures regarding the completion and submission of assessment tasks for HSC courses. It is important that students are fully cognisant of this material and adhere to the processes outlined. Students have also received an advice that outlines the due dates of all assessment tasks for all courses. This will help them to plan their time so as to maximise their ability to perform effectively in all tasks. I wish them all the best as they embark upon this latest stage of their educational journey.

In addition to the above documents, students have also received the NSW Education Standards Authority (NESA) publication, 2021 Higher School Certificate: Rules and Procedures. This document is an important one that clearly outlines students' rights and responsibilities in terms of the HSC. Students have been asked to read this and are very welcome to come to see me with any questions that they might have. The publication is also available via the NESA website.

Year 11 HSC Information Evening for Students and Parents: Tuesday 17 November, 2020

The College is hosting an information session for all Year 11 students and their parents from 6pm on Tuesday 17 November in the Senior School building. We will be focusing on the ways that students' assessment marks and exam performances combine to produce HSC marks and on the sorts of processes that students and parents can implement at home in order to maximise HSC success. We look forward to seeing as many students and parents as possible. Please contact me if you have any queries.
