Implementation Guidelines

The school uniform is the outward mark that a student belongs to Trinity Anglican College. Students are expected to wear their uniform and be personally groomed in such a way as to show pride in being identified with the school. This demands that the students continue to adhere to stipulated uniform standards until such time as they arrive home. Only the complete uniform should be worn and no part of the uniform should be worn with casual clothes.

Students should be aware that the appearance of the school uniform depends to a large extent upon how it is worn - its cleanliness, its fit, its state of repair and the bearing of its wearer. Students are expected to present in correct College uniform each day and at designated College activities. The standard of grooming must comply with the College expectations.

Winter uniform is compulsory for Terms 2 and 3. Summer uniform is compulsory for Terms 1 and 4. Girls' summer dresses should be no shorter than 10cm from the top of the knee. The College blazer is always to be worn as the outer layer of clothing if an outer garment is being worn.

During any normal school day, students change into PE uniform for PE classes only. Students are not permitted to wear PE clothes to any other classes. Appropriate sporting shoes are to be worn. Students are not to wear casual skate/surf style shoes (e.g. Vans).

Only approved College bags and back packs purchased from the Uniform Shop are to be used by students to carry requirements to and from school.

Hair

The College requires students to be groomed appropriately. Hair should be a natural colour and should always be kept neat.

Girls' hair which is below collar length should be tied back neatly with ribbons in navy or red. Extremes of hair styles and altered hair colour are not accepted.

Boys should be clean shaven at all times. Boys' hair should be neat and if it is not tied up, it must not touch the collar, nor be styled in such a way that it falls forwards towards the eyes or face. Boys are not permitted to attend school with "novelty" styles including undercuts of any kind.

It is to be noted that, in matters of hairstyle, the College remains the final arbiter.

Jewellery

A simple cross on a narrow chain may be worn.

Girls may wear one pair of small, silver or gold sleepers or studs in the bottom holes of their earlobes.
