2015 College Captains, Vice-Captains and Prefects

On Tuesday of this week the College conducted its Induction Service and Assembly for the 2015 College Captains, Vice-Captains and Prefects. This was an appropriate and important way to start the final term of the year and I was pleased to see so many parents there to support our new student leaders.

At the Assembly, I spoke of the significant element of service in leadership. I am looking forward to working with the new Prefects as they commence their period of service to students and staff of the College, as well as the wider community.

The 2015 student leadership team for the College is:

College Captains:

Ella Corbett and Tom Bugden

College Vice-Captains:

Melissa Smith and Will Nauer

College Prefects:

Hayley Allwood
Damian Holmick

Georgia Gogoll
Brittney Olsson

Zoe Trebilcock

These appointments have been made following a lengthy process involving students from Years 10 and 11 voting for Prefects, a staff vote, consultation with staff directly involved with these students and one on one conversations with many Year 11 students. I thank all students

who chose to be involved in this selection process and applied for the position of Prefect at the College. I congratulate those students listed above who have been appointed to positions of leadership and I look forward to working closely with them in their roles over the next twelve months.

I also am pleased to announce the following Year 12 students have been appointed as House Captains for the remainder of this year and the first three terms of 2015:

Hoffman

Captains: Tristan Day Daryl Neff

Kelton

Captains: Damian Holmik Sophie Cochrane

Petts

Captains: Harry Dowling Abi Sweeting

Rosborough

Captains: Jacob Dawson Kira Dawson

Finally I am pleased to announce that Zoe Trebilcock has also been appointed as **Music Captain** for 2015!

Well done to all of these students!

Trinity College Twilight Fete: Albury Campus, Friday, 17 October 2014

On the evening of Friday, 17 October the College will conduct a twilight fete at the Albury campus. The proceedings will commence at 4:00pm, with the fete closing at 7:00pm.

I would invite all members of the College community to come along and to bring their neighbours and friends as well! This year's event promises to be a great evening with a wide range of activities, rides and stalls to interest and entertain just about everyone!

I hope to see you at next week's Twilight Fete!

Higher School Certificate (HSC) Exams

The written HSC exams commence next week (on Monday, 13 October) and I would ask that we keep our Year 12 students in our thoughts and prayers over the next month of exams. I pray that all of our Year 12 students go well in these important written exams and achieve the results that they deserve and which are reflective of the effort they have put into all of their subjects. It was very pleasing to see during the course of the recent holidays numerous staff regularly coming into the College to conduct revision classes for their Year 12 students.

The HSC exams will again take place in the main auditorium at the Wodonga campus.

I wish every Year 12 student every success as they go through this important part of their HSC program!

Stop Press: Capital Developments for Trinity in 2015!

I am very excited to advise the College community of the significant capital developments which will take place at the College during the course of 2015. As we commenced our relationship with the Anglican Schools Commission, the College was invited to prepare and submit a detailed proposal for capital works to the ASC Capital Development Committee and to the ASC Finance Committee. This proposal was submitted in the final few weeks of Term 3 and I am pleased that everything we asked for was supported and approved by the ASC committees. The works will include:

1. The new Senior School Centre (see notes below);
2. A full-sized sporting oval in the north western corner of the Albury campus;
3. The relocation and refurbishment of the Junior School classrooms at the Wodonga campus which currently house Prep – Year 4 students. These rooms will be repositioned closer to the main building at our Wodonga campus and will enable the development of a quadrangle setting closer to the main building and outdoor basketball court;
4. A covered outdoor learning area to be used for PDHPE on the southern side of the College's Multi-Purpose Hall; and
5. The extension of a sealed driveway and a staff car park at the Albury campus.

The College has secured a capital grant via the NSW Block Grant Authority towards our Senior School Centre. We had envisaged though, that this facility would be built in two separate stages over about a four or five year period, with Stage 1 to commence later this term and to be completed during 2015. With the support of the ASC we are now in a position to build the entire facility concurrently, again commencing later this term and finishing late in 2015, which will enable us to retire the vast majority of our portable classrooms and teach most of our Senior School classes in state of the art, flexible learning spaces! The support of the ASC will really strengthen our teaching and learning resources in the Senior School and is a fantastic and very exciting development for Trinity!

The value of these capital projects is not insignificant and students and staff will benefit from more than \$8,000,000 worth of capital improvements once they are all completed! I am very pleased and excited about what this means for Trinity and thank the ASC for their support of the College in this important way!

Steven J O'Connor

Principal

From the Deputy Principal

There are a number of important dates to remember for this term in the Senior School, the first being the Year 11 Parent Teacher Interviews. Students and parents will have the opportunity to discuss the end of Preliminary Course reports and the progress of their child with staff at these interviews. The booking for these interviews is open and can be accessed via the College website. The code for booking is **P8T3V**. The interviews will be held in the MPH on Thursday, 6 November, 3:30pm – 7:30pm.

As the current Year 11 students begin their HSC course we will be holding an information session for students and their parents on Tuesday 11, November at 7:00pm. An overview of the expectations of the HSC, how it works and is calculated, and tips on how to work with your son/daughter as a HSC student will be covered.

The final exams for students in Years 7 – 10 will be starting on Monday, 10 November, with the following groups sitting exams on these dates:

- Year 7 – Monday, 10 and Tuesday, 11 November
- Year 8 – Wednesday, 12 and Thursday, 13 November
- Year 9 – Monday, 10 to Thursday, 13 November
- Year 10 – Monday, 10 to Thursday, 13 November

The exam timetables will be available on the College website and they will be distributed to students shortly.

The Year 7, 2015 orientation morning will be held on Tuesday, 25 November and there will be an information evening for all parents at 7:00pm on the same day.

Peter O'Neill

Deputy Principal

From the College Chaplain

'I will set before my eyes no vile thing...' Psalm 101:3 NIV

One day the Queen needed a new chauffeur. The first guy she tried did pretty well in the interview, so she let him take her out for a spin in her Audi. Driving up a windy mountain road, she told him to drive as close to the edge as he could. Thinking he was hot stuff, he went about 30cm from the edge. He was proud of himself, but the Queen wasn't satisfied. A

second bloke came in for the job, she asked him to do the same thing. This guy got closer – 10cm to the edge. But the Queen kept looking. A third driver was interviewed, and she once again told him to drive close to the cliff. “With respect, Ma’am, no way”, he said. “To keep you safe, I’m staying as far away from it as I can!”

He got the job.

We should think like the third driver: don’t even go there. Stay away. Don’t play at the edge of sin. Keep messing up? Get out of there! Do you struggle with inappropriate images? Don’t go on the internet alone – don’t make it easy to look at what you shouldn’t. Do you struggle with drinking? Don’t touch the stuff – stay away. Because when you play on the edge of sin, you will fall off. Guaranteed.

Come clean. What is the one thing that just keeps coming back up over and over again? What would it take to get rid of it? Ask a friend to keep you accountable, and take the steps to get there. Today. Right now.

Rev Lee Weissel

College Chaplain

From the Director of Studies

It is lovely to shake off the layers of winter and move into the lightness and busyness of our Spring term. The holidays have rejuvenated teachers and students alike, and all are ready to approach the academic challenges of Term 4 with vim and vigour.

Year 11: HSC Assessment Information

Students in Year 11 are motivated and eager to begin their HSC experience. Assessment schedules will be distributed to students this week, together with the important policy document ‘Year 12 Assessment Information for Students, 2015’. This document outlines the policies and procedures regarding the completion and submission of assessment tasks for HSC courses. It is important that students are fully cognisant with this material and adhere to the processes outlined. Students will also receive advice that outlines the due dates of all assessment tasks for all courses. This will help them to plan their time so as to maximise their ability to perform effectively in all tasks. I wish them all the best as they embark upon this latest stage of their educational journey.

Year 11 HSC Information Evening for Students and Parents – Tuesday, 11 November 2014

Mr Thomas and I will be hosting an information session for all Year 11 students and their parents in the library from 7:00pm on Tuesday, 11 November. We will be focusing on the ways that students’ assessment marks and exam performances combine to produce HSC marks and on the sorts of processes that students and parents can implement at home in order to maximise HSC success. We look forward to seeing as many students and parents as possible.

Year 7 – 10 Exams

Students in Years 7 – 10 will undertake Semester 2 exams during Week 6 of this term. Year 7 will complete exams across Monday, 10 and Tuesday 11, November. They will complete exams in Maths, English, Science, History and French. Year 8 exams will take place on Wednesday, 12 and Thursday, 13 November, and there will be exams in Maths, English, Science, Geography and French. Year 9 and 10 exams will span from Monday, 10 to Thursday 13, November. Students in these years will undertake exams in Maths, English, Science, Geography, History, PDHPE and all elective subjects. Examination timetables will be distributed in Pastoral Care Groups over the next fortnight.

If you have any queries regarding the issues outlined above, please do not hesitate to contact me.

Kym Armstrong
Director of Studies

From the Senior School

Year 12 Graduation

Ticket purchase forms for the Year 12 Graduation on Saturday, 22 November are due back to the College Office today.

Malcolm Thomas
Head of Senior School

From the Junior School

Who or what inspires you? This was a question from a very young student (often the wisest people) posed at the end of last term. We all know people who are inspiring, but just how does one inspire others? There are many ways we can inspire others to achieve, perform and excel, whether they are our children, our relations, our friends, our students or ourselves. I was inspired to look deeper into this question. The work of Michael Angier seemed to clarify the answer. Below is a summary of my reading.

Be a good example as people watch what you do more than they listen to what you say. Care about others. People don't care about how much you know until they know how much you care. Encourage. It takes courage to encourage when times look tough. Look for your own inspiration in other people, different ideas and new environments. Be vulnerable. Share your experiences honestly with others and yourself! Tell stories, because facts tell us and stories sell us. Communicate openly and effectively (easy to write, but sometimes difficult to enact). Challenge people. Practise 'carefrontation' every day. Read! Not all readers lead, but all leaders read. Share your reading. Share your own experiences.

Milo School Cup Day

Four teams were entered in the Milo School Cup Carnival at Jelbart Park on the final day of Term 3. The students had a wonderful day, with many displaying good skills with bat and ball and a great willingness in the field. There were many highlights and classic moments (particularly when the Magpies started to swoop). Thanks to Mr. Fairall for organising the day.

For the Calendar

In what promises to be an exciting term, it is important to maintain contact with the day to day. If parents have any specific concerns regarding events please contact the College early for clarification.

K-2 Swimming: The program switches to 1SM, 2TC and 2TD. The students will enjoy the challenge and we look forward to their further involvement as part of the K-2 Swimming Carnival in Week 4.

NAIDOC Week Celebration: This will take place in Week 3. Students will be taking part in an NRL fun and skills day on Wednesday, 22 October, and the K-6 students will take part in the celebration with a concert on the morning of Friday, 24 October, followed by activities to recognise the history, culture and achievements of Aboriginal and Torres Strait Islander people.

Stationery and Texts 2015

The staff have been busy looking at the texts and stationery that would be most beneficial for student learning. This will be finalised during the week and a list will be sent to parents once negotiations have taken place with providers.

College Twilight Fete

This takes place on Friday, 17 October (end of Week 2). There are a number of exciting initiatives that will involve the Junior School staff and students (and parents).

Steven Armstrong

Head of Junior School

Wodonga Campus News

A very warm welcome back!

Year 12 Exams to take place in the Campus Hall

Our Year 12 students will be sitting their HSC Exams from Monday, 13 October to Monday, 3 November (Week 2 to the Monday of Week 5) in the Campus Hall. This means that the Hall will be out of bounds to all parents, staff and students for the duration of the examination period. The Hall will be used from 7:00am until 7:00pm each day. The areas directly outside the Hall also fall into the examination precinct. The Office will be open as usual. Posters will be placed about the precinct as a reminder to everyone of the need to keep quiet.

Please be aware that due to the HSC requirements, Chapel Services and Assemblies will not be able to take place in the Hall; however, arrangements for these events to take place outside, when possible, will be sent home via a Diary Note.

Sleep and its importance for children

I was recently reading about the necessity of children getting enough sleep. In brief **there is no magical number of hours of sleep for children, but as a guide it is recommended that children between the age of 6 and 12 years of age sleep for between 10 and 11 hours each night.** Sleep is very important to a child's wellbeing. A lack of sleep can cause a child to become hyperactive and disagreeable. Extremes in behaviour may be a direct cause of lack of sleep. Establishing sleep patterns is part of the answer; that is, setting a bedtime and routine to go with it. I would recommend all children establish as part of this bedtime routine the reading of a good book appropriate to their reading ability. Being read too is a wonderful way for children to be prepared for bed.

Bushfire Management and Emergency Evacuation Procedures

With the campus being in a bushfire prone area, it is crucial that all students be aware of the campus Bushfire Management and Emergency Evacuation Procedures. To that end, the Campus carried out both emergency drills this week. Please remember that if parents and friends are on campus during these drills, they will be required to participate in the procedures. You do so by following the staff directions and having your name listed on the attendance roll.

Anaphylaxis Alert!

Trinity College currently has students enrolled that have been diagnosed as being at risk of anaphylaxis. Please ensure that you take care with foods that you send with your child to reduce the risk of an anaphylactic reaction.

***Trinity College is a
'NUT & EGG AWARE'
school.***

***Please consider this when
packing school lunches.***

Melbourne Cup – No Classes

I would remind all parents that due to the running of the Melbourne Cup, there will be no classes on Tuesday, 4 November.

Please be aware of the following Term 4 dates:

13 October	Year 12s sitting for their HSC, Hall out of bounds
14 October	Prep 2016 Parent Information Night, 7:00pm
17 October	College Twilight Performance, Albury Campus
22 October	Prep Transition Program Day 1
24 October	NAIDOC Performance
30 October	K/P to Year 2 Swimming Carnival
3 November	Last day of the HSC exams in the Hall
4 November	No classes
12 November	Prep 2016 Transition Day 2
13 November	Year 5 Camp, Beechworth
13 November	Year 4 Camp, Borambola
13 November	Year 3 Outdoor Experience
19 November	Prep 2016 Transition Day 3
27 November	Step-Up Day
2 December	Year 6 Graduation Dinner
5 December	P-2 Presentation Dinner, 9:00am
8 December	End of Term Assembly, 11:50am
10 December	Speech Day and Annual Prize Giving, Albury Campus, 9:30am
10 December	Term 4 classes finish

Chris O’Loan

Head of Wodonga Campus

From the Director of Sport & Co-curricular

Trinity Swimming Club

Students are set to hit the water for the Trinity College Swim Club this Monday, 13 October. For any student who hasn’t returned an expression of interest, but would like to attend, we encourage you to attend our come and try sessions this Monday and Friday.

Monday (starting Monday 13/10)

Albury Swim Centre

6:30am to 7:30am

25m pool

Friday (starting Friday 17/10)

Lavington Swim Centre

3:45pm to 4:45pm

50m pool

The College has employed Jo Gibbs as our swimming coach. Jo has been part of the Albury Swim Club for many years and coached our College BIPSA and BISSA team earlier this year.

After the first week we intend on further refining our sessions, dependent on student ability and availability. Pool management has expressed their flexibility to allow us to design multiple programs which suit all students. Once our full offering of programs has been decided, students will be invited to participate in the relevant programs.

If your child is interested, it would be great to see you there this Monday. A reminder: parents must pay the relevant entry fees for both aquatic centres.

Winter Sports

It has been very pleasing to hear the amount of College students who have achieved such wonderful results in their chosen Winter sports. I have received many reports on students winning their respective Netball, AFL or Soccer grand finals. Well done to all students on such great results!

Karate

Following qualification rounds during the year, Martyn Allwood competed at the National All Styles Victorian State Titles karate tournament in Melbourne on Saturday, 4 October. His results were:

- 1st place (Victorian State Champion) in black belt continuous sparring
- 2nd place in traditional weapons kata (using double nunchaku)

Martyn is a 2nd dan black belt and an assistant instructor in Sansho Kan Karate-do at Border Karate School in Wodonga, where he trains three times a week. He has competed successfully in Victoria, NSW and Queensland for the past four years.

Congratulations, Martyn!

CIS Athletics Results

A small group of Trinity College students achieved wonderful results late in Term 3 in the Primary and Secondary CIS Athletics. This small but dedicated group of students competed against the best Independent school students across the state. All students can hold their heads high, with all Senior School students finishing in the top ten at least once, and Junior School Students finishing at least once in the top 30.

Trinity Gift

A FAST, FUN & FRANTIC new event is coming to the Twilight Fete in 2014. You would have all heard of the Stawell Gift, the richest running event in Australia... Well, this year's Trinity Fete will involve the final of the inaugural Trinity Gift. It will see all ages and genders lined up against each other in a handicapped race to achieve everlasting glory! Runners will vie for a position in the coveted Trinity Gift Final for their chance to have their name etched in Trinity folklore, along with winning a perpetual trophy, medallion and \$50 sports store gift voucher.

Jarrold Hillary

French News

French Poetry Competition Winners

Last term's inaugural French Poetry Competition was a huge success, helping hundreds of students to learn a poem and improve their French. The judges were impressed by the hard work of a great many students, and a number of awards were given at the end of term. Students who made an outstanding effort won certificates of merit. Place getters also won a beautiful rosette and a cash prize - \$40 for first, \$20 for second and \$10 for third. Congratulations to all participants, including the winners:

Year 7

- 1st Faye Cameron
- 2nd Melissa Halford
- 3rd Hannah Lippiatt

Year 8

- Equal 1st Amy Smith and Jeanie Heer
- 2nd Georgia Morris
- 3rd Ella Mather

Year 9

- 1st Matilda Trebilcock
- 2nd Ruby-Mae Kearney
- 3rd Samantha Lane

Year 10

- 1st David Kondacs
- 2nd Gabby Fortini
- 3rd Paula Lay
- Special Mention: Jessica Van Der Stadt

Make sure you are ready for next year's competition!

Alliance Française French Competition Winners

Our French students are making a name for themselves! The winners of the La Perouse NSW French Challenge 2014, run by the Alliance Française de Sydney, have just been announced and Trinity has again featured very strongly. Congratulations to the following students who have been invited to the Award Ceremony in Sydney on 9 November:

- Georgia Dulhunty (Year 9)
- Julia Hart (Year 10)
- Zoe Trebilcock (Year 11)
- Christiaan Slabbert (Year 12)

The letter from the Alliance Française reads: *“Congratulations to your students on their outstanding work. Their achievement is particularly impressive since we had more than 350 students participating.”* Well done to all our students for an outstanding effort!

Tina Zitzlaff
French Teacher

SRC Annual Coin Line

Search under the cushions of the couch! Clean the bottom of your bag! It is time to get rid of that pocket jingle! It is time for the SRC Relay for Life Coin Line. This year it will be House against House. House Captains will be around in Pastoral Care collecting coins in preparation for the event. The Junior School will run their coin line on Tuesday, 14 October (Week 2), while the Senior School will compete on Wednesday, 15 October (Week 2).

Get behind your House! Assert your dominance all for a great cause. If you have any questions please see Mrs Haymes, Mr Armstrong or an SRC Representative.
